(An Institute of National importance under Ministry of Education, Government of India)

**Ranchi, Jharkhand, India – 834010**

**Advt. No:** IIITR/RG/2023/67

**Date:** 03.04.2023

### **Information Brochure for Recruitment of Temporary Non-Teaching Staff**

Indian Institute of Information Technology Ranchi is an autonomous Institute setup by the MoE, Government of India, and Government of Jharkhand along with the industry partners Tata Technologies Limited, TCS and CCL on a Public Private Partnership.

MoE, Government of India has taken up the initiative to setup 20 new Indian Institutes of Information Technology (IIITs) on a Public Private Partnership Model. A major objective in establishing IIITs is to set up a model of education which can produce best-in-class human resources in IT and harnessing the multi-dimensional facets of information technology in various domains. While the number of students produced by these IIITs would be small, the impact they create would be great. The IIIT Ranchi is funded by Government of India (50%), Government of Jharkhand (35%) and Industry Partners (15%).

The institute is managed by professionals from the area of academics and research, under the guidance of a Board of Governors of the Institute that has representatives of participating Industry partners, eminent academicians & researchers and representatives from Government. IIIT Ranchi will focus on applied research and education in IT and in selected domain areas. IIIT Ranchi will contribute significantly to the global competitiveness of key sectors of the Indian economy and industry.
