

Indian Institute of Information Technology , Ranchi

Institute Updates

1. The 3rd Convocation Ceremony of IIIT Ranchi was held on 29 December 2025 at the Auditorium of Jharkhand University of Technology, Ranchi. A total of 370 degrees were awarded to UG, PG, and Ph.D. scholars. The ceremony was graced by distinguished dignitaries, and meritorious students were honored with medals and awards, celebrating academic excellence and the institute's continued growth.
2. The construction of the permanent campus of IIIT Ranchi is currently underway at Sanga village, Kanke, Ranchi. Designed as a modern academic hub, the campus will feature advanced infrastructure, dedicated research facilities, academic blocks, student hostels, and recreational spaces.
3. IIIT Ranchi has introduced a new B.Tech program in Mathematics and Computing with an intake of 50 seats. The program focuses on strong mathematical foundations, computer science, and data-driven problem solving, with emphasis on real-world applications, research orientation, and interdisciplinary learning.
4. IIIT Ranchi signed an MoU with the Survey of India to promote research and training in geomatics and geospatial technologies. The collaboration includes joint research, internships, and academic initiatives.
5. A strategic partnership with NIAMT, Ranchi aims to strengthen collaboration in advanced manufacturing, AI, robotics, and innovation. The MoU supports student training, research projects, and startup development.

3rd Convocation Ceremony

Event Overview

The Indian Institute of Information Technology Ranchi organized its 3rd Convocation Ceremony on 29 December 2025 at the Auditorium of Jharkhand University of Technology, Ranchi. The academic procession was led by Lt Gen A.K. Bhatt (Retd.), Chairperson, Board of Governors, and Prof. Rajeev Srivastava, Director, IIIT Ranchi.

A total of 370 degrees were awarded during the convocation, comprising 356 undergraduate, 7 postgraduate, and 7 Ph.D. scholars.

Amaravati Quantum Valley Hackathon

Mr. Shaik Mahaboob Hussain, a Research Scholar at IIIT Ranchi under Dr. Nishit Malvya, secured 1st place at the Amaravati Quantum Valley Hackathon 2025 Grand Finale for his work on quantum-based fleet optimization, with awards presented by the Chief Minister of Andhra Pradesh, N. Chandrababu Naidu.

Institute Activities

Quasar X AI Hackathon

IIIT Ranchi organized the Quasar XAI Hackathon on 30-31 January 2026 as a 24-hour pre-summit event for the AI Impact Summit 2026. Prof. Rajeev Srivastava spoke on "AI for Economic Growth and Social Good," while Dr. Praveen Kumar (IIIT Patna) discussed AI-driven innovation, with top teams from IIIT Ranchi, BIT Mesra, NIT Jamshedpur, and IIIT Bhagalpur recognized.

Design for Bharat

IIIT Ranchi hosted the State Level Exhibition of the Design for Bharat Youth Innovation Challenge 2026 on 17 December 2025, in collaboration with the Ministry of Youth Affairs and Sports and SPA New Delhi, where Team Robosphere (IIIT Ranchi) secured first place among 58 entries, followed by Team ArGyan (BIT Ranchi) and Team Nidhi831 (Usha Martin University).

Cyber Jagrit Bharat

On 30 October 2025, IIIT Ranchi held an Integrity Pledge Ceremony and Cyber Awareness Program under "Cyber Jagrit Bharat," where Prof. Rajeev Srivastava administered the pledge and emphasized cyber safety, data privacy, and ethical conduct, reinforcing a culture of responsible digital practices.

77th Republic Day Celebration

On 26 January 2026, IIIT Ranchi celebrated the 77th Republic Day at its BSNL ARTTC and Kanke campuses, where Prof. Rajeev Srivastava unfurled the National Flag, addressed the gathering on the vision of Viksit Bharat and the role of youth in nation-building, followed by patriotic cultural performances by students, fostering a spirit of unity and national pride among the campus community.

Constitution Day

On 26 November 2025, IIIT Ranchi celebrated Constitution Day to mark the adoption of the Constitution of India, where students, faculty, and staff read the Preamble, reaffirming justice, liberty, equality, and fraternity, while highlighting constitutional awareness, civic responsibility, and the vision of the nation's founding leaders.

CP Rumble Event

On 9 February 2026, the Training and Placement Cell (TAP Cell) organized CP Rumble, a team-based competitive programming contest on Codeforces, where participants solved algorithmic problems under timed conditions, enhancing their problem-solving skills and strengthening their Data Structures and Algorithms (DSA) concepts.

Students Activities

Art of AI Competition

Tarun Dinkar, a student of IIIT Ranchi, secured First Prize in the Alienware Gaming Saturdays – Art of AI competition at Tej Computer, Ranchi, a national-level event organized with Dell Alienware and Intel, showcasing AI-driven creativity and innovation, highlighting exceptional talent and performance.

Saraswati Puja

On 23 January 2026, IIIT Ranchi celebrated Saraswati Puja at the Khelgaon Campus, where students, faculty, and hostel residents offered prayers to Goddess Saraswati, seeking blessings for knowledge, wisdom, and academic success, as the event fostered cultural unity, devotion, and a sense of togetherness across the campus community.

Faculty Activities

National Wellbeing Conclave

The 2nd National Wellbeing Conclave held at IIT Bombay, Mumbai, was attended by Dr. N. Kishore Babu and Dr. Noopur, who represented the institute and participated in discussions on promoting mental health, resilience, and overall wellbeing in higher education.

Inter IIIT Employee Sports Meet

IIIT Ranchi participated in the Inter IIIT Employee Sports Meet 2025 hosted by IIITM Gwalior with an 18-member contingent, where over 400 employees from 11 IIITs competed, and the institute secured three gold medals in Table Tennis (Women's Singles and Doubles) and Carrom (Women's Doubles), reflecting strong dedication and sportsmanship.

Media Section

Nayi Bulandi Karyakram

On 30 October 2025, Prof. Rajeev Srivastava, Director of IIIT Ranchi, participated in an interactive session on DD Jharkhand under “नई बुलंदी कार्यक्रम,” discussing “वैश्विक चुनौतियाँ और हमारी तकनीकी शिक्षा,” where he highlighted the role of innovation, research, and industry collaboration in addressing global challenges and preparing students for the evolving technological landscape.
