Date: 14/05/2026

Summer Internship Program on Applications of AI/ML: Driving Innovation Through Intelligent Systems and Real-World Solutions

IIIT Ranchi is pleased to invite applications for its Summer Internship Program 2026 on *“Applications of AI/ML: Driving Innovation Through Intelligent Systems and Real-World Solutions.”* This program is open to students and scholars from academic institutions and industry who are eager to explore cutting-edge advancements in AI and Machine Learning.

The internship will be conducted from **25 May 2026 to 24 July 2026**, offering participants a valuable opportunity to gain hands-on experience, work on real-world problems, and interact with experts in the field.

Additionally, the internship is not limited to the applications of AI/ML; you can apply in the following domains.

1. Pattern Recognition & Data Science
2. Artificial Intelligence & Machine Learning
3. Generative Adversarial Networks (GANs) & Natural Language Processing (NLP)
4. Computer Vision & Image Processing
5. Robotics and Automation, IOT for Smart Cities, & Smart Health Care Systems
6. Microwave and Millimeter Wave Antenna
7. Semiconductor Devices, Modeling and Simulation of Nano Devices
8. Optical Communication & Machine Learning Photonics
9. Astrodynamics, Orbital Mechanics, & Space Science
10. Active and Hybrid Power Filters, & Electric Vehicle Charging Infrastructure
11. Mathematical Modelling and Simulation, Applied Mathematics, & Cryptography
12. Cyber Security & Network Security, Digital Image Watermarking
13. Optical Sensors & Microwave Photonics
14. Strategic HRM Organisational Behaviour

Last date to apply: 24 May 2026

Important Guidelines for Application:

- Applicants must fill out the prescribed application form available on the institute website: <https://iiitranchi.ac.in/>.
- Applicants must attach self-attested copies of all academic credentials along with their resume to the application form.
- The application fee and internship fee are to be paid online to the institute's account and are non-refundable.
- The duly filled application form, along with proof of payment, should be submitted as per the guidelines provided on the website.
- Students will have access to a supportive research environment, including facilities such as the library, computing resources, internet, and online journals.

Fee Structure:

S. No.	Expenditure Head	2 Months Fee
1	Application Fee	200
2	Internship Fee (Offline and Online)	2500
3	Hostel facility (Optional) #	Paid basis
4	Mess charges (Optional) ##	Paid basis, if available

Optional for offline mode

The mess facility will be available subject to the operational status of the institute's mess.
